SEQUENCE LISTING CONTENT STATEMENT

Sir:

Applicants enclose a written (on paper) copy of the sequence listing and a computer readable (on diskette) copy of the sequence listing for the referenced application. The computer readable copy of the sequence listing is named "Sequence Listing" and is on the enclosed 1.44 MB IBM diskette.

The content of the sequence listing information in computer readable form is identical to the written sequence listing provided herewith, and includes no new matter.

I hereby state that the information recorded in computer readable form is identical to the written sequence listing.

I hereby state that the submission herein does not include new matter.

Date: November 28, 2005
